Checklist for Coaches

An overview of the tasks to support your success

P D C A
PLAN

TARGET DATE:

Month . day		Schedule a demonstration of Coach View and the Course ADMIN with MoreSteam.
Month . day		Complete the eLearning course including skill checks and practice exercises BEFORE starting the course of study with the participants.
Month . day		Gain proficiency with the technology the participants will be using: <ul style="list-style-type: none">• Training simulations,• Project tracking software (TRACTION), and• Data analysis package (EngineRoom, Minitab, JMP).
Month . day		Establish the overall measurable goal(s) of the program and how this aligns to your corporate strategy.  Expert tip: The goal should be helping to solve problems for the organization, not just training participants.
Month . day		Create the overall agenda of online and offline activities. Establish dates and targets for the following activities: <ul style="list-style-type: none">• eLearning milestone dates and expectations on skill check scores<ul style="list-style-type: none">◦ Enroll participants in the MoreSteam curriculum.◦ Establish Nag-o-Matic deadlines in the CourseADMIN to email participants when they lag behind.• Study hall dates (Refer to resources in the online Playbook for ideas on agendas and activities.)• Kickoff meeting• Project review dates• Virtual office hours for 'walk-ins'• Optional events:
